WE ARE THE
SPECIAL **ONE!**

ONE SPECIAL CARGO

As ONE, our brand name represents our integrity as three leading marine transport companies working together to make a difference in the ocean freight industry. We have a rich history and experience in handling special cargo of all kinds. Whether you are looking to transport vehicles, yachts, small-sized aircrafts, over-sized machines, large factory components or any sorts of construction equipment, ONE has just the right people and expertise.

ONE employs teams of worldwide specialists who have the handling knowledge and skills to ensure your special cargo is shipped safely and efficiently to destinations around the globe. This in turn enables us to design customized and point-to-point integrated solutions. Hence, ensuring a peace of mind for your valued shipments. With our extensive international port coverage, on-time shipping schedule, well balanced equipment supplies and tailor-made customer service, ONE is definitely your ideal partner for the transportation of special cargo.

SPECIAL CARGO TYPES

In Gauge Cargo (IG)

Special cargoes which are transported using Flat Rack or Open Top containers, and are placed within the internal dimensions of the containers.

Out-of-Gauge Cargo (OOG)

Special cargoes which are also transported using Flat Rack or Open Top containers, despite having dimensions which exceed the width and/or height of the containers.

Breakbulk Cargo (BB)

Extra-large special cargoes which are transported using multiple Flat Rack containers. For example, luxury yachts, factory components, over-sized machines, trains, construction equipment, generators, etc.

ONE ADVANTAGE

ONE differentiates its special cargo service by offering such key value-added features:

Priority space planning and management of special cargo

Dedicated country specialists with expertise in local liaison

Point-to-point and hassle-free integrated solutions

Sizeable container fleet with extensive equipment/facilities support

Competitive pricing structure

Extensive worldwide port coverage with regular on-time weekly services

ONE SPECIAL CARGO CONTAINERS AND SPECIFICATIONS

FLAT RACK*

Flat Rack units have only a floor and walls at the front and rear. They have lashing rings in many location, making it easy to secure your special cargo.

“ONE has the expertise to carefully and efficiently move special cargo worldwide. Combining best practice and innovation, we aim to provide customers with the best quality service available in the market.”

Mr. Matty van der Waal
Deputy General Manager
Global Reefer and Special Cargo
Ocean Network Express (ONE)

ABOUT ONE

ONE is the result of an integration of the container operations of three Japanese shipping companies, Kawasaki Kisen Kaisha, Ltd ("K" Line), Mitsui O.S.K. Lines, Ltd (MOL), and Nippon Yusen Kabushiki Kaisha (NYK). The company seeks to meet customers' needs by providing high-quality, competitive container shipping services with the consolidation and enhancement of the three companies' global network and service structures.

The integration has enabled ONE to incorporate the best practices from the three legacy companies. Supported by a worldwide high level, globally-connected organization, it has more than 165 service loops and a comprehensive network linking more than 200 of the world's major ports.

ONE is focused on offering superior quality and the most competitive service throughout its network. Each service has been developed to provide clients with the highest level of satisfaction. ONE aims to transform the global container business with its new and innovative service.

“ONE Special Cargo team always strive for the highest possible customer satisfaction.

With a team of industry professionals around the globe, ONE will always deliver more than what is requested.”
